Dedicated to Professor and Mrs. W. F. Lowm.
Linda and Carol

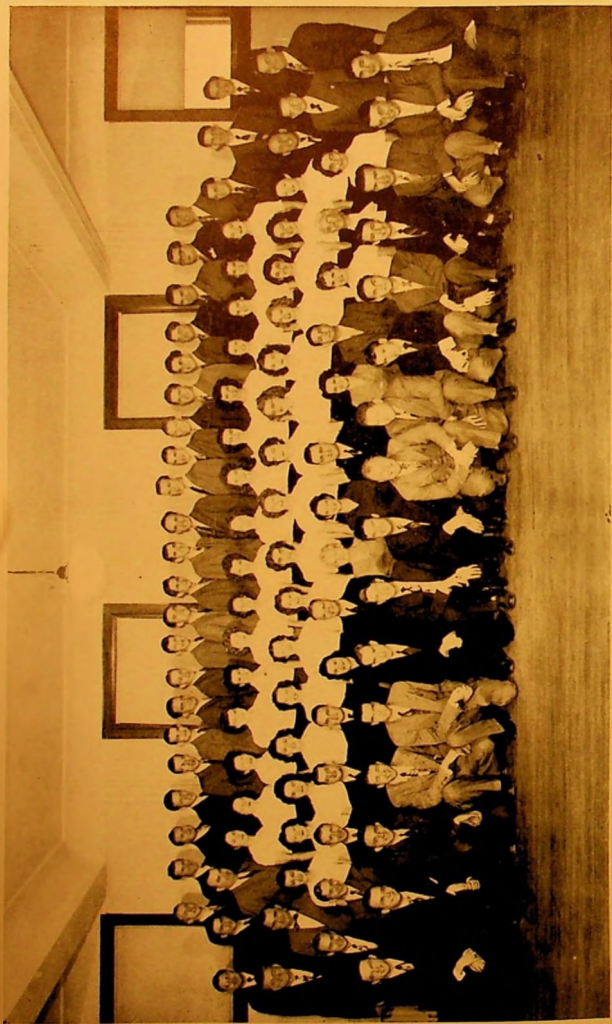

We dedicate our year book to one who has contributed much to the spiritual growth of our school. He is a professor who this summer will be leaving the school to serve full time as a minister. So that he may know and all may know that we have increased because of the Spirit of Christ we found in him, we dedicate this.

Wilfred F. Lowm was born in Webster, Iowa. He grew up on a farm, graduating from North English, Iowa, high school. He was associated then with the Floyd Jones School of Sacred Music in Indianapolis, Indiana. At this time he served as associate director of the Indianapolis Civic Choir and of the Floyd Jones Singers, a traveling chorus. From here he went to Ozark Christian College at Denterville, Arkansas. During this time he served as minister of the Christian Church at Eureka Springs, Arkansas. It was also then that he was united in marriage to Miss Nadine Vaughan, who was also at this time a student at the college. Then Lowm enrolled for one semester in the Minnesota Bible College, after which he accepted the call to return to the Eureka Springs Church. On July 9, 1941, a heavenly bundle called Linda Kay came to be numbered with the family. This second ministry at Eureka Springs came to a close after about one and a half years, when the Lowms went to work with the church at Webb City, Missouri, where they remained two years.

At the beginning of the fall semester in 1943 Lowm came to M. B. C. to complete his degree and also to instruct in the field of music. The second heavenly bundle arrived, called Carol Jean, on December 17, 1943. Lowm received the AB degree in 1945 and has continued on the faculty since that time. He received the M.A. degree from Kansas State in psychology, in which field he has been teaching for the past few years.

Nadine (Vaughan) was born at Clifty, Arkansas, attending high school at Huntsville and Rogers, Arkansas. In 1939-40 she enrolled in Ozark Christian College where she met Lowm and married him. She enrolled also in Minnesota Bible College in the fall of 1940. Nadine has been helpful to Lowm in his ministry by her music and helpful to us here at M. B. C. in Sundolai and in many other ways.

And now next June the Lowms will be locating in Junction City, where he has been ministering while teaching. Before he leaves may we say a humble "Thanks." His help has been spiritually uplifting to us as individuals and as a school. Through his life we have come to see more clearly what Christ meant when he said, "Come, Follow Me."

Manhattan Bible College Biography

In 1927, a Bible College was founded in Manhattan, Kansas, by Eugene Bible University of Eugene, Oregon. For two years this college remained a child of Eugene. In 1929 all property belonging to the Bible College founded by Eugene in Manhattan in 1927, was deeded by the Eugene Bible University, to a new corporation, known as Christian Workers' University.

Manhattan Bible College came into being on June 20, 1930, when Christian Workers' University deeded all of its holding to Manhattan Bible College, which was chartered on that date, and which institution has functioned from that date to the present.

1937 was a sad year for the school, when due to depression and drouth, the Bible College was forced to give up the property which was deeded to Manhattan Bible College in 1930. The school was not one to give up in despair, but in 1940 started a building fund which reached a total of \$17,000 by September 1, 1943. Negotiations were started for the purchase of the above mentioned building. An agreement was reached which enabled the Bible College to buy this building at a cost of \$26,500. Immediately the Bible College began a campaign to raise an additional \$9,500. This building was purchased on a two years' contract. However, the financial response was so excellent that only four and one-half months were necessary to obtain the money to receive the deed to the property. Five years ago the Bible College purchased the frame building in which school was held during the period when it did not have possession of the above mentioned building.

The school is well located both from the standpoint of convenience and that of cultural and educational opportunities. Both the Union Pacific and the Rock Island Railroads pass through the city as well as U. S. Highways 40 and 24. The school is within reach of five hundred congregations to which we may look for support, and which adjacency makes an excel-

lent outlet for the services of young men and young women who are ready to go out from the school over the week-end to preach. Perhaps no other college among "us" is so strategically located. Just across the street from Manhattan Bible College stretches the campus of the Kansas State College of Agriculture and Applied Science. This offers a wonderful opportunity to students of both schools for a well-rounded Christian education.

The purpose of Manhattan Bible College is to train preachers and other Christian workers who will be loyal to the Christ, and to his Church, as presented in the Scriptures.

Manhattan Bible College seeks to be Christian in the fullest meaning of the term. The College believes that the final and only authoritative statement of the Christian Religion is in the New Testament.

Christian conduct is expected of all students in the College. Any student found unable to conduct himself as a Christian in the College, community, or elsewhere will be dismissed from the College. Just be a Christian gentleman or lady and you will be acceptable to the institution. Mt. 7:12 is an excellent guide. It sometimes becomes necessary to apply some practical applications to the general rule of conduct. All students are required to attend Sunday Church service.

During the twenty-three years of the history of the Bible College one hundred eighty-three people have been graduated from her halls. Many of this number are preachers, others are preachers' wives, some missionaries, and several are outstanding Christian leaders.

We are assured that this is merely the introduction to the history of a great institution, which has as its aim, to train young men and young women for loyal consecrated service for Christ, who is the King of Kings and Lord of Lords.

OFFICE SECRETARY

In this age of "record-madness," Manhattan Bible College would also have a part. In the secretary's office we find the Record "record-keeper." She is Miss Wanda Swoveland, better known for reasons obvious to some as "Effie." She comes to us from Nebraska. M. B. C. is not new to her, she having received her A. B. degree here in 1946. Since then she has also had graduate work.

Wanda's duties are numerous. All she has to do is take dictation, write letters, answer the telephone, ring the bell for classes, cut stencils, do mimeographing, prepare the M. B. C. News for mailing each month, sell meal tickets, order and sell books, collect rent from the two dormitories, Buckles Hall, and the trailer court, collect telephone bills from the "youngsters," write checks, write receipts, keep the Veterans records up to date, record student loans, record the Field Representative's reports, count the cash, balance the books, et cetera. Yes, a secretary is a handy little gadget to have around.

By those who know her best, Wanda is admired and respected for her love and deep concern for the work of our Lord and His Kingdom. Certainly, it isn't "off the record" to say that she and her recordings add to the harmony of M. B. C.

LIBRARY

The academic life of the school centers around the place where a rich store of knowledge is available, the school library. In all the classes that we have, there must be many sources to which we can go and get information that will supplement the classroom lectures and textbook studies. Manhattan Bible College has a very adequate library for just such a purpose. Thousands of volumes are a rich source of information for every subject we study. These volumes are always increasing in number as new books are being purchased all the time, making the information that we have at hand, right up to date and including all the latest developments and findings in the fields of study. If there is perchance something that cannot be found in our library, K. S. C.'s library is just a few minutes walk away. Mrs. Kenneth Storer and Miss Mable Hakes are the librarians.

MR. AND MRS. F. O. WEEKS

"More Blessed to Give"

The truth of this caption can well be testified to by Mr. and Mrs. F. O. Weeks. Their gifts to Manhattan Bible College have been numerous and very much appreciated. Just as this year began, Mrs. Weeks made official the gift of a farm to the college. This farm is about three miles northwest of Bigelow, Kansas. The deed calls for 156½ acres, more or less. There is on the farm a good eight room house, and some other buildings. Since the donors purchased the land,

they have spent at least \$1,100.00 in improvements on the house.

Paul said, "Remember the words of the Lord Jesus, that he himself said, It is more blessed to give than to receive." (Acts 20:35).

The above picture was taken on the occasion of the fiftieth wedding anniversary of Brother and Sister Weeks. The large apartment house, 1408 Laramie, purchased last June by the Bible College has been named "Buckles House."

Choir

The Easter Cantata, Christmas music, a trip to Junction City to make a recording for the Sunday radio program all are high-lights in the memories of those who are members of the Chapel choir. These are the times when we have had opportunity to use our musical ministry. At these times and at the regular Wednesday evening Chapel service, we use our talents to sing praises to the One whose ministers we are. We strive to supplement the spoken word with a message that will reach men's hearts through song. These are the times we look forward to and these are the times we work for, and it is wonderful when we can feel that our job has been done well. That is all the pay we desire, the satisfaction of having a part in an effort

worth while, but that isn't all of it by far. Each Tuesday, Wednesday, and Thursday at four o'clock, we assemble for rehearsal, and there is more value to that than actually meets the eye. It is true that we must rehearse in order to sing well, but after a day of study, it does something for you that just can hardly be expressed by word of mouth. A period of practice on some new song, with occasionally a little wit and humor thrown in seems to lead your thoughts away from the work-a-day world, to things that are higher and better. Being led to new heights in this manner, we reach the peak as we are dismissed with a word of prayer. Come see for yourself what I mean. Join the chapel choir.

Basketball

Many colleges accent athletics to the detriment of sound administration and curriculum. At M. B. C. sports are secondary in importance to the main business of developing a trained Christian leadership. But our athletic program fits into the general program by providing physical exercise for the participants, relaxation and wholesome recreation for the rest of the student body. Our basketball and baseball teams

also help to weld school spirit into the extra curricular activities. Since we do not have gymnasium facilities of our own, or trained, experienced coaches, it is not surprising that our teams should lose more games than they win. We hope for the time when these deficiencies can be overcome; then you can expect to see a difference in scores.

Baseball

Strong bodies make healthy minds. We give an opportunity for all boys that are interested in sports to play. Emphasis is placed on athletics as secondary since this is a preacher-training institution and not a place to train coaches.

At this writing all reports show of the best baseball team this year that we have ever had. More boys are thinking about going out for the

team than ever before. Plans are in the making for a girl's softball team this year. There has been a need in this field for some time, and now the girls interested are looking forward to a team this year.

We are trying to develop the athletic department a little more each year, and the dream of the future is to have a gymnasium all our own.

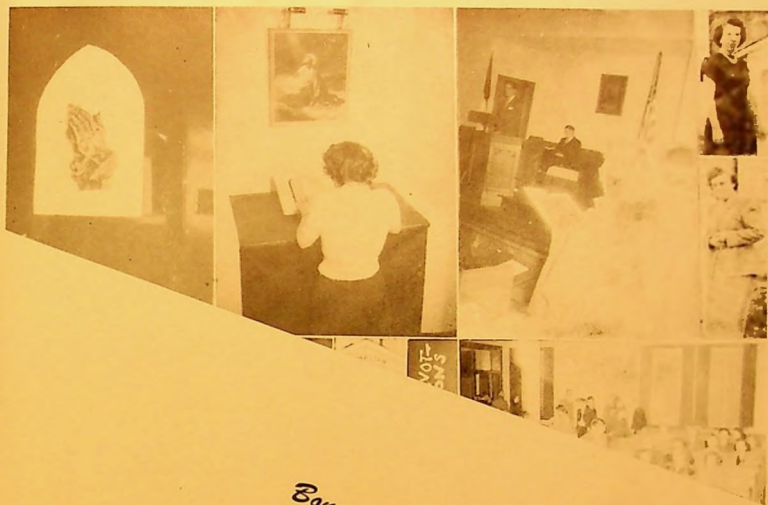

Dining Hall

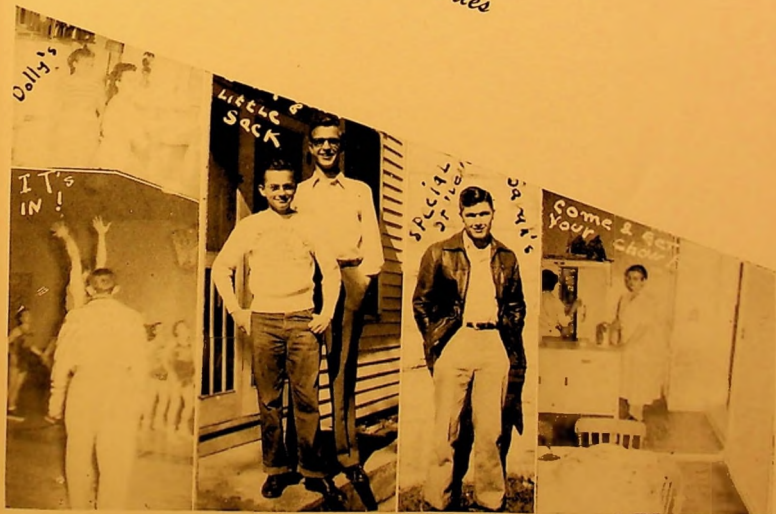

The Tishhauser Dining Hall began in the fall of 1945. A small family of twenty-five were first to appear at the tingling of the dinner bell and has increased through the years to about fifty members. Many improvements have been made since the time of origin.

This year finds a new queen of the kitchen, Miss Bradfield, formerly of the Christian Church, Clifton, Kansas. She comes to us with much experience having cooked four years for Thetxi Oregon State College, one year at Memorial Union-Oregon State, and one year for the Army. She fills her hours about the kitchen, preparing meals for hungry college students who eagerly wait for the ringing of the bell.

The dining hall affords opportunity for all M. B. C. students who wish to eat there. It gives each girl in the dormitory a chance to work one hour a day. Some work more while others prefer to work elsewhere. They are paid for this time and in turn use it to pay for their meals. There is always plenty of work to be done, such as washing dishes, cleaning, setting tables, and helping Miss Bradfield prepare the meals. The meals are served family style in order that there may be a more homelike atmosphere. The dining hall is of Grade A rating and can be compared to any hall any where. It is an excellent place for fellowship and opportunity for lots of good food served at reasonable prices.

Meditation

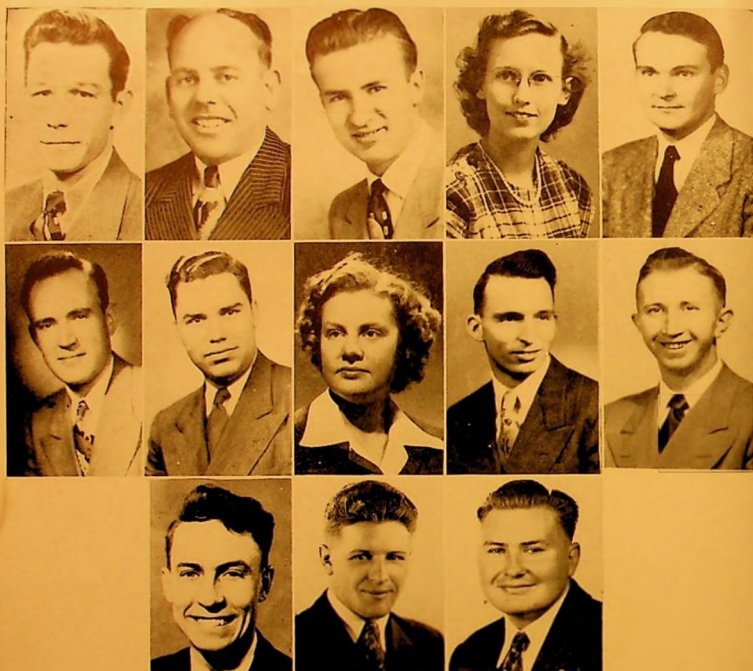

With a realization that we can do nothing without Christ in our lives, we as students feel that we must seek a closer walk with God.

We are aware of the fact that even though we are actually studying the life of the Master, that unless we have the personal relationship and spiritual life in Christ, we have gained nothing. Paul said, "And if I have all faith, so as to remove mountains, but have not love, I am nothing."

Many opportunities are provided for us to have fellowship in the school. Evening Chapel services, morning devotions, singspirations, and a very beautiful prayer room, all serve to enrich our lives. We feel the admonishment of the Apostle Paul, ringing down through the centuries, "I beseech you therefore, brethren, by the mercies of God to present your bodies a living sacrifice, holy and acceptable to God, which is your spiritual service." So day by day we endeavor to transform our lives to be in tune with the Master.

She married a fellow-student November 24, 1932, (Thanksgiving) at the Junction City Christian Church, Dean S. M. Smith of the Bible College, the minister, officiated. Again due to illness she dropped out of school and did not resume educational development until her husband returned to M. B. C. to teach in 1941. Meanwhile they had become parents of two girls, had been located with two churches and had seen "Jim" through three years of schooling. Since enrolling in 1941 progress has been slow as she has never taken more than two courses, most of the time only one, per semester. Her regret is that she did not complete her education while her husband was still a student, though she will be glad when the last exam is over this spring.

DAVID WINFIELD CONE came to M. B. C. from Herington, Kansas. He was born August 21, 1927 at Enid, Oklahoma. He was minister of the Abbeville Christian Church for 1½ years, the last year serving also the Arlington Menonite Church. He traveled with the Alber Evangelistic Party for six months as song-leader, violinist and pianist. In June 1948 he was married to Evelyn Jean Scott, an M. B. C. student from Omaha, Nebraska. On May 20, 1948 he was united in marriage to Jean Hahlbeck. His work for the Lord began when he was baptized on April 21, 1935, during the ministry of John L. Thompson. He entered Manhattan Bible College in 1946. It was on November 3, of that same year that he took a pastorate at Havensville, Kansas where he served until his graduation from the Bible College.

PAUL ECKSTEIN was born in Dallas, Texas on March 8, 1924, but moved to Kansas City, Missouri in 1935 where he graduated from high school six years later. L. and played basketball and baseball three years. He began his ministry in Adrian, Missouri, where he is now serving. He plans to take additional training in the New Testament Field.

He attended the Melrose School during grade school days and graduated from White City High School in 1945. In January of 1946 Orville enrolled in M. B. C., finishing his four years work in January of 1950. At the present time he is serving the churches at Cummings and Farmington, Kansas.

DREXEL G. VON FORRELL was born at Humansville, Missouri, February 16, 1916. In 1918 he moved with his parents to Pittsburg, Kansas and in 1932 they moved to Hebron, Nebraska where he lived until coming to M. B. C. in the fall of 1947. Lewis married Mabel Hugel in 1946 and they have a two year old son, Dennis Lee. The places of Lewis' ministry include those part time churches, Merwin and Westline, Missouri, and Wallstreet, Kansas; Stony Point Christian Church and is serving the Church of Winchester, Kansas at the present time.

FRANCES GRAHAM was born as Willis July 29, 1928, at Bonner Springs, Kansas, to complete a family of four. She completed schooling through high school in Bonner, being active in church work and music. After a semester at Junior College in Kansas City, Kansas, she transferred to M. B. C. in January 1947, where she remained. Her hobby has been music. Her name changed to Mrs. Maurice Graham August 20, 1949, the only change, because she grows no taller.

DARRELL B. HARRISON was born October 15, 1928 at Seneca, Missouri. He entered Manhattan Bible College in 1946. On August 31, 1949 Goldie Daniels became his bride. At the time of his graduation he is ministering to the church in Princeton, Kansas.

He served in the Army and was awarded the Air Medal, Purple Heart and Silver Star. He became a life recruit at Sun Springs Christian Service Camp in August 1946. He has served the church at Esbon, Kansas since March 1947, and plans to continue there while attending Phillips University.

FRIEDA LINDELL was born and educated in southeast Kansas, graduating from Pleasanton High School in 1946. She then attended Kansas City Secretarial School. In September, 1948, she began her work at M. B. C. School activities in which she participated were, Magnavox editor and Sundoulai, Student Council reporter. The past year she has preached at the North Elm Church. She will receive the Certificate of Christian Education, and begin her career as a minister's wife, the Mrs. Fred Paxton, Jr.

EUGENE MALLETT, of Joplin, Missouri, is among the students from the "Show-Me" State. He was almost an April-fool, but arrived just 5 days too late in the year of 1924. High school years were spent in Joplin with graduation in 1942. About 9 months later Uncle Sam called him, and he spent 3 years in the Navy. Discharge from Military service came in March of 1946 and the following fall, he entered M. B. C. On Thanksgiving day in 1949 he married Thelma Neece of Racine, Missouri. They are serving the Church at Central City, Missouri.

LESTER L. Myers was born at Elkhaville, Illinois, on July 29, 1925. He attended Grade and High School there. After finishing High School he spent 3 years in the Navy Air Corps. Terminating his Navy Service he entered M. B. C. He has been active in all of the athletic programs of M. B. C. Lester has been preaching at Chase, Kansas, a little over three years. He was united in marriage to Helen Warrington during his freshman year. They have two boys, Frankie and Tommy. He plans enrollment at Phillips University next fall, with an on the field residence at Chase, Kansas.

OREL NEWBREY entered M. B. C. upon his discharge from the U. S. Coast Guard. He was born December 16, 1921 in Stockton, Kansas, and graduated from high school there in the spring of '40. His ministry began at Rossville, Kansas where he served for three years. At the present he is serving Barnes, Kansas.

FRED PAXTON, JR., was born in Stewartville, Missouri, June 29, 1928. He graduated from the High School in Enid, Oklahoma, in 1946. Being a "P. K.", he has had Church houses in Missouri, Iowa, Kansas and Oklahoma. In college, he has taken an active part in A. B. X. and played basketball and baseball for four years. His ministry began when he supplied for Prof. Taylor at White Cloud, Kansas. He has served churches at Double Branch and Merwin, Mo. (½ time each) Glen Elder, and Vining, Kansas. His future plans include marriage and graduate work in Phillips University.

ESTRELL MALLETT PETERSON first gazed into her proud parent's eyes, Mr. and Mrs. Marvin Mallett of Joplin, Mo., November 5, 1926. Several years later in 1945 she walked away as a graduate from Joplin High School. In the fall of 1946 she enrolled as a freshman in Manhattan Bible College. It was here she met the boy who became her husband on August 7, 1949. Her future plans are to work in the church where her husband is preaching.

The world was shocked on the morning of June 27, 1924 to learn of the birth of a baby boy in Marneston, Nebraska to Mr. and Mrs. Elmer Phillips. Being born in a railroad section house, he began at an early age to test the extent of his lungs, by trying to make a louder noise than the trains that went in front of the house. He moved with his parents to Wymore, Nebraska, which he now calls home. The local high school at this place was where he received his early education graduating in the year 1942. After graduating, his railroad experience called him once more and he went to Lincoln, Nebraska, where he secured a job in the Burlington Shops. He remained there until the government called him to service on October 19, 1943. Having won the war, he was discharged on November 19, 1945. He finally realized his dreams of wanting to be a preacher and in January of 1946 he came to M. B. C. On June 2, 1950, he became an alumnus of Manhattan Bible College. His plans are indefinite at present, but will continue to serve his Master in whatever way he would have him to. At present he is ministering at the church in Colony, Kansas. Oh yes, His name is Orville Phillips.

DON ROCK, he's just a farm boy. Was born and reared on a farm south-west of Hope, Kansas. In 1942, he quit farming and went to work for Uncle Sam. After 3½ years, he was given a chance to cease activities for Uncle—and took it. In June, 1946, he married Gary Lowder of Denver, and they both came to M. B. C. that fall. He thinks there is still opportunity in the field of discipling, baptizing and teaching to observe all things, so plans to do that as long as the Lord can use him.

WAYNE E. SCHREIBER was born in Sheridan County, Kansas, on September 15, 1926, to Mary and Wallace Schreiber. After graduating from grade school, he farmed with his father for four years. As a result of the Christian influence at home and church, he entered Manhattan Bible College in September, 1944. Here he has taken both his high school and college work. In 1946 he married Stella Lee, an M. B. C. student. They have one son, Wilford Eugene. They are now serving the church at Hope, Kansas.

ROBERT E. STEPHENS came to Manhattan and to M. B. C. from Omaha, Nebraska in January 1947. While attending school he served the church at Oak Creek, Faulkner, and Westmoreland. He says M. B. C. is a mighty fine school for anyone wishing to obtain a good solid Bible background. Plans for the future are hazy.

DICK SUTHERLIN, a young man from Indiana, was born on March 10, 1928. Most of his life was spent in and around Roachdale, until he came to Kansas to enter M. B. C. During his freshman and senior years he served as the school janitor. He served the church at Inavale, Nebraska during his sophomore year. On December 16, 1948 he and Marian A. Bates were united in marriage at the Marysville Christian Church. Both are now serving the Church at White City, Kansas.

DELMAR W. WEBB, was born in Clay Center, Kansas, March 11, 1923. Graduated from High School in 1941. Married in 1946 to Miss Iris Hahn. They now have a little "angel" D'Ann. Served in the Armored Force from 1942 to 1946, attended Emporia State Teachers College completing one year and two summer sessions. Soon he realized the more abundant life was in the Service of Christ. They are planning to continue their schooling at Butler University.

DAROLD ZWINK was born March 23, 1925 on a farm 1½ miles North of Stockton, Kansas. He received his first schooling at a country school. He then received his Junior High and Senior High school education at Stockton High, graduating in the Spring of 1943. He entered the Army December 9, 1943 where he served 26 months. He enrolled in M. B. C. September 7, 1946. His plan for the future is to serve full time at Moran and LaHarpe, Kansas after graduation.

Junior Class

"A man's life consisteth not in the abundance of things which he possesseth." This might well be remembered in regard to the Junior Class of this year. They may be small in number, but the quality makes up for the quantity. It is very interesting group as you go down the line and consider each one individually as there are many and varied talents. Each one is outstanding in his

own way. Although the number is small, I do not believe that any apologies need be made concerning the Junior Class of 1950. The achievement of each one will speak for itself and when the total is calculated, I'm sure the contributions made by this group to the success of this school year, will be outstanding. We look forward to a very bright future in view of these foregoing facts

Sophomore Class

At last! These are the words of the Sophomore Class as they realize the first half of their college career has come to a close and the second half is beginning. However, there is no feeling of remorse among our sturdy members because of the full two years ahead. Time flies here at M. B. C. and with every passing day we feel that we have gained something that will be of great use in serving our Master. For many of us the past two years have wrought changes in our life which will

allow us to keep college memories in our minds for years to come. Some changes have come over the group since our freshman year but all in all we are holding our own.

Our class officers this year are: president, Vernon Rodgers; vice president, Don Young; secretary and treasurer, Bonnie Benson; class reporter, Marilyn Forbeck; student council representative, Curtis Lee. Our faculty sponsors and advisors are Dean and Mrs. V. V. Hinds.

Back Row: Layman Hall, Arnold Stephens, Ray Kerstetter, Jr., Lloyd Cox, Victor Schwarz, Olen Vining, Dale Rider, Clifford Martin.

Freshman Class

Quality and quantity go hand in hand with the Freshman Class at M. B. C. Surpassing in seemingly unlimited intelligence and spirit the Freshman Class has gone forward in a great way in the activities of the school. These who entered the Halls of M. B. C. for the first time in September of '49 have proved themselves worthy of high commendation. Their friendly attitude and their consecrated spirit will cause them to go far in forwarding the Kingdom of our Lord. For truly it can be said of the Freshmen that they realize their "high calling in Christ Jesus." "In many and various ways God" will be speaking

through these His followers who seem to be talented in giving His Message in more ways than one.

Small but mighty describes our able president —Wendell Sack. Other officers are Richard Daetwiler, vice president; Barbara Tarvin, secretary and treasurer; Sarah Hover, student council representative; Professor and Mrs. W. F. Lown are our class sponsors.

Our only hope and aim is that through our years at M. B. C. we might "increase in wisdom and in stature and in favor with God and man."

Special Students

There are always some enrolling in Manhattan Bible College who are not freshmen, sophomores, juniors or seniors. What better name could we choose for them than "Special Students"? They well deserve the name special too, for, although they are taking less than twelve college hours—they are real workers!

In some cases they are taking preparatory work. (high school). This is for the benefit of students who have not completed high school. This gives them opportunity to finish high school, and at the same time prepare for the preaching of the Gospel.

Or perhaps the special student is a minister's wife. She may have to hire a baby sitter—or stack the dishes as she rushes off to class, but she learns just the same. She too, must be prepared for the Lord's work.

Very often the students must work their way through college. It is impossible for them to

take a full schedule. Therefore they become a Special Student who works, and studies, and works (Don't ask them when they sleep - they don't know).

Many of our Special Students are from Kansas State College. Some of our best preachers have started in just this manner. Still, others want to be a better layman in the church, or just want to know their Bible better. The Bible College welcomes these folk from Kansas State and are blessed for having known them.

The Special Students have a special couple for their sponsors; Pres. and Mrs. Johnson. We had a big time together at a covered-dish supper March 7, 1950. The whole big family was together, husbands, wives, sweethearts, and kids.

The officers for this year are Jodie Rodgers, President; Jean Matthews, Vice President; Jewell Davison, Sec. and Treas. and Betty Claggett, Student Council representative.

Back Row: Maurice Graham, Orville Phillips, Frieda Lindell, Drexel von Forrell, Alvin Daetwiler.

Middle Row: Dean Virgil Hinds, Paul Eckstein, Nelson King, Curtis Lee.

Front Row: Jeanne Deppe, Eugene Mallett, Virginia Benton, Joe Tempfer, Sarah Hover.

Student Council

The Student Council of M. B. C. was organized two years ago with Larry Barnes serving as its first president. Last year it was under the able direction of Don Rock. We now have as our esteemed president, Eugene Mallett.

The Student Council serves as, what might be known, a "buffer" between students and faculty. Any problem that comes up among the students should be taken to the student council by the organization representative. After sufficient consideration the council decides its worth and if it is feasible the suggestion is sent to the faculty.

The officers of the student council are: President, Gene Mallett; Vice-President, Joe Tempfer; Secretary-Treasurer, Virginia Benton; faculty adviser, Dean Hinds. The members con-

sist of the president and the elected representative of the various approved student organizations. It is the duty of each representative to make a complete report to his organization of the actions of the student council; and to take before the council all suggestions recommended by his organization.

The student council has power to negotiate with the faculty on matters concerning special group permission, supervision or campus activities, student conduct, and the calendar of student events. In the case of a problem which cannot be decided between the student council and the faculty, the president of the college is the final authority.

Remember students, the Student Council is your organization, make use of it.

Middle Row: Dale Rider, Paul Eckstein, W. F. Lown, Dick Sutherlin, Bryon Paxton, Tommy Davis.

Front Row: Jesse Cook, Curtis Lee, Dean Burton, John Greenlee, Maurice Graham.

Epsilon Tau Alpha

Epsilon Tau Alpha was organized just one decade ago, January 2, 1940. During the ten years of its existence it has had the Greek words Epsilon Tau Alpha as its name and ideals. These words mean Hope, Honor, and Truth. It provides both serious and recreational fellowship for its members. We study together how to better ourselves for the work to which we have been called.

Two projects of which we are especially proud

are the editing of the college annual and M. B. C. day. On this day each spring school is dismissed and prospective students are invited in from the surrounding area that they might become acquainted with the college.

This years officers are Darrell Harrison, president; Dean Burton, vice president; Curtis Lee, secretary treasurer; Alvin Daetwiler, student council representative.

Back Row: Leonard Morrison, Jackie Barnes, Victor Schwarz, Ken Palmer, Dale Rider.

Middle Row: Rosie Keck, Bonnie Benson, Leatrice Deppe, Guyla Briggs, Harriet Irwin, Barbara Tarvin.

Front Row: Fred Paxton, Jr., Dorcas Bridge, Merilyn Forbeck, Virginia Albert, Sarah Hover, Orville Phillips

A. B. X.

"Ambassadors of Christ the King" is the organization where students express a desire to literally take the gospel into the whole world. Many of our graduates have gone out to do this work.

The organization has three definite projects: the Sacrificial Banquet, Services at the I. O. O. F. Home, and a living link Missionary—Fredy Joseph of India.

This year our sacrificial banquet was of the home mission work among the Mexicans in

Kansas City, Kans. Fidel Reyes brought wonderful messages both oral and in song.

Every Friday night several cars entered the grounds of the I. O. O. F. and Rebekahs' Home four miles south-west of Manhattan on U. S. 40. Students provided a worship service including group singing, special numbers, chalk art, Lord's Supper, and preaching.

Our officers for the past year 1949-1950 have been: president, Virginia Albert; vice president, Merilyn Forbeck; secretary treasurer, Fred Paxton, Jr.; student council representative, Orville Phillips; and faculty advisor, Professor Carr.

Back Row: Clyde Kelley, Orville Phillips, Charles Hicks, Ray Applegarth, Delmar Webb.

Middle Row: Tommy Davis, Olin Vining, Leonard Morrison, Don Rock, Ralph Sell, Paul Eckstein.

Front Row: Nelson King, Lester Myers, Jack Stewart, Clifford Martin, Wilbur White.

C. V. L.

A hamburger fry in the lounge, a weiner roast at Sunset Park and Pillsbury crossing, and various other outings of this sort surely suggest the Christian Veteran's League to all who have had any part in the fun that organization had, and about everyone in school has at some time or other been on one of our outings. You might think that when a group like this gets together with all their families and friends, everything would be pretty much G. I. and strictly according to the rules of military discipline. On the contrary, the only thing G. I. about the whole affair is some article of clothing that some one might chance to be wearing. It's strictly "for fun" that we gather and enjoy a time of relaxation and recreation. However we are still a part of an army, God's Army and because of that there is

also another side to the picture I have painted. We have taken the opportunity of serving in various ways by contributing something worth while to the school wherever we have been conscious of a need. You see, this organization is different from most of the others we have here at school, in that it is growing smaller and smaller all the time. In a few years, all the veterans will have finished school and have gone on to their fields of service. Nothing will be left but the memories and the various memorials around school that will be a reminder of a unique organization whose only motive was to serve.

The C. V. L. of today is made up of those who have served, in the past who are serving now, and looking forward to tomorrow when they can serve in a manner even more effective.

Back Row: Frances Graham, Lucille Applegarth, Estrell Peterson, Lois Evans, Martha Amlong, Jeanne Deppe, Barbara Tarvin, Rosie Keck, Sarah Hover.

Third Row: Marilyn Forbeck, Dorcas Bridge, Berniece Sell, Martha Durton, Harriet Irwin, Thelma Mallett, Jean Matthews, Bonnie Benson.

Second Row: Jewell Davison, Mary Lewis, Jean Cone, Virginia Albert, Carol Cone, Frieda Lindell, Jodie Rodgers, Guyla Briggs, Joyce Kittel.

Front Row: Marjory Martin, Leatrice Deppe, Mrs. Lloyd Taylor, Mrs. James Carr, Mrs. T. H. Johnson, Lois Anderson, Kathryn White, Elizabeth Storer, Miss Hakes, Mrs. Virgil Hinds.

Sundoulai

Sundoulai is an organization of ministers' wives and girls of M. B. C. which strives to teach its members the joys and responsibilities of Christian service. Each program is of a topic that will be educational and inspiring to lead us on as fellow servants to greater service for our Master.

The "Big Sisters" treated the "Little Sisters" to a picnic at the beginning of the year. This helped the new girls to get acquainted with Sundoulai, its officers and members.

As a project this year Sundoulai made clothing for twin orphans in St. Louis, Mo. There was much pleasure in this project for every one likes to see a little girl in a new dress. Sundoulai members continued to call upon the sick and aged this year. Carrying the gospel to others proves to be a blessing to both the hearer and the doer. In past years Sundoulai has sponsored one meal for M. B. C., but this year we are to serve both the noon meal and the evening meal.

Back Row: Merilyn Forbeck, Leatrice Deppe, Jeanne Deppe, Jewell Davison, Mary Lewis, Bonnie Benson, Sarah Hover.

Middle Row: Martha Amlong, Harriet Irwin, Carol Jane Cone, Frieda Lindell, Guyla Briggs, Joyce Kittel, Dorcas Bridge.

Front Row: Miss Hakes, Virginia Benton, Virginia Albert, Lois Anderson, Betty Barth, Rosie Keck, Barbara Tarvin.

Pardee Hall Girls

1409 Anderson Avenue just west of Manhattan Bible College is Pardee Hall, or the Girls Dormitory where 21 girls have lived each semester this year preparing for full time Christian Service and living for Him each day in every way. There was one bride at Christmas and a new student enrolled second semester making our count the same. Miss Bradfield, our new cook and Dining Room director, has moved to Pardee Hall this second semester.

Our meetings have been taken care of in an able way under the leadership of the following

officers. Pres., Lois Anderson; Sec. and Treas. Virginia Albert; Student Council Representative, Virginia Benton; Magnavox reporter, Betta Barth. Dorcas Bridge and Guyla Briggs will be our graduates in June and Frieda Lindell will complete a certificate in Religious Education. These have the best wishes and prayers for a rich ministry each has chosen. Words can not describe the friendships, fellowships, and all the joys of living together in our Pardee Hall. Our good wishes for each and every one and God-speed in your continued efforts to attain your goals and ideals in Christ.

Back Row: Kendrick Palmer, Orville Phillips, Ray Kerstetter, Jr., Jesse Cook, Byron Paxton.

Middle Row: Olen Vining, Leonard Morrison, Layman Hall, Curtis Lee, Fred Paxton, Jr.

Front Row: Jack Barnes, Robert Winger, Joe Tempfer, Maurice Ankrom.

Christine House

For thirteen boys and four families this is home. It is more than just a dormitory housing college students or a hotel that knows only the voice of strangers. The atmosphere of a rooming house is unknown. Christine House is a home for young men who are united by their desires for one purpose in life: To Serve Christ.

Fellowship being the keynote, never a dull moment is to be found. Except when classes are in session, the top floor of Christine House is a bee-hive of activity, for it is here we find the

thirteen boys. The Field Representative, Mr. Fred Paxton and family, occupies the main floor with the exception of one apartment in the back where Mr. and Mrs. Clifford Martin live. The basement has been divided into two apartments and living in these are Mr. and Mrs. Lester Myers, and Mr. and Mrs. Lloyd Cox. Mrs. Paxton is "House Mother" to all.

Christine House came into the possession of Manhattan Bible College in 1948 through a gift of Mrs. Christine Tischhouser, and annuities. Christine house is named after Mrs. Tischhouser.

Left to Right: Bonnie Benson, Wendell Sack, Harriet Irwin, Maurice Ankrom, Barbara Tarvin, Dale Rider, W. F. Lown, Byron Paxton.

Magnavox Staff

Almost as soon as they start to school, the freshmen have a project in the Magnavox which is our school paper. It has been a Freshman project for several years and they have done a good job of keeping the students informed of the activity that goes on around the classrooms and on the campus.

This year Byron Paxton is the very able editor with Maurice Ankrom as his co-editor. The typists are Bonnie Benson, Wendell Sack, and Harriet Irwin; mimeographers, Byron Paxton, and Dale Rider; the artist for the paper is Barbara Tarvin. Professor Lown is the faculty adviser.

Standing: Lloyd Taylor, Jack Stewart, Marilyn Forbeck, Virgil Conger.
Seated: Dick Sutherlin, Maurice Graham, Dean Burton, Paul Eckstein.

Mabico Staff

Dear Readers: By now you have seen the cover of your year-book, looked at pictures, read articles, and we hope had an enjoyable time. This is the last page of the annual save for the ads. In the picture on this page you find those who helped make it possible for this book to be delivered into your care. As you preserve this

book for years to come may it bring memories to your mind of the days in Manhattan Bible College, that you may rejoice again in the fellowship and activities of these college days. If it serves that purpose we as the annual staff will feel rewarded in editing this 1950 MABICO.

FOR twenty-three years Manhattan Bible College has been training young men and young women for special Christian service. During the twenty-third year the college has become accredited by the Accrediting Association of Bible Institutes and Bible Colleges. The College has grown year by year in efficiency and outreach. The College is Christ centered. The Bible is the major text book. The College has a well trained and experienced Faculty, a growing library, and an adequate physical plant. O. Jolliffe Hall, Pardee Hall, Christine House, and Buckles House, owned by the College, are all excellent buildings.

One hundred eighty-two have been graduated from the College. Thus Manhattan Bible College continues in Christ's mission of building the Kingdom.

CHRISTIAN STUDENT FOUNDATION
1633 Anderson Avenue

The Student Foundation is only one block from M. B. C. and across the street from the state college. The facilities of this Foundation are available because the churches, and individuals, throughout Kansas wish to "follow their college students to school." Visit this Foundation, that you support.

REV. ROY V. CARTEE
Director

We worship and have our Sunday program at the church; while the "through-the-week" program is held at the Foundation. To broaden our program a Junior Deacon and College girls Kappa Beta has been enlarged. Over 800 students from every county in Kansas, and adjoining states, give the Christian Church as their preference!
